The Alpha Uganda Newsletter

pe, Middle East & Africa Week 2010

On 17th June, over 1200 people from across East and Africa gathered at Alpha office at Holy Trinity Grompton Church in usual week-long conference.

International and ecumenical flavour, and church leaders as well as 38 countries as well as 77 different deep sense of unity and 26 different boundaries broken down and positions as delegates person most different going to pray for the older Catholics to pray for the older, the bishop of the founders of the 247 Prayer movement. Alpha advisers and staff who have suffered persecution for their faith were honoured and prayed for including Anderson Mudhara, National Director of Alpha Zimbabwe, whose team has been arrested and persecuted for their leaving one dead and another severely paralysed. Anderson and others were physically lifted up in prayer as they crowd-surged across the physical manifestation of our holding up their bodies as a physical manifestation of our prayers holding them up in difficult times.

The conference ended with a worship celebration on Thursday evening, with prayer led by Pete Girey (one of the founders of the 247 Prayer movement). Alpha advisers and staff who have suffered persecution for their faith were honoured and prayed for including Anderson Mudhara, National Director of Alpha Zimbabwe, whose team has been arrested and persecuted for their leaving one dead and another severely paralysed. Anderson and others were physically lifted up in prayer as they crowd-surged across the physical manifestation of our holding up their bodies as a physical manifestation of our prayers holding them up in difficult times.
